

## Pledging for 2021 Made Easy

Once you have discerned your intention for pledging to St. Mark's, here is some guidance on how to let St. Mark's know your intention by making your pledge.

Anyone is welcome to submit a pledge using the [online pledge form](#), the [printable pledge form](#) or by calling the office at 202-543-0053 and requesting a paper form through the mail.

For those who have pledged in the past and have set up a password to log into their personal Realm account, pledging is as simple as:

- 1) Log into Realm (from the St. Mark's website [www.stmarks.net](http://www.stmarks.net) click on Member Login at the top).
- 2) On the left, choose **Giving** (note that parishioners with additional responsibilities such as group leaders or event managers, will need to click on **\*Community** first before clicking on **Giving**).
- 3) Click the **+Pledge** button and enter the amount of your pledge.
- 4) Update your contact information if needed.

While you are in Realm, you can also set up automatic payments to fulfill your pledge.

- 1) Click on Manage Payment Methods (in the upper-right corner) to make sure your existing payment method is still valid or add another one (bank account, debit card or credit card).
- 2) Click on **+Gift** to add a one-time or recurring gift. Choose to pay the 2021 Pledge fund, enter the amount and date of the gift and if it is recurring, the frequency (such as monthly or quarterly).

If you have pledged in the past and would like to link to your personal Realm account, send an email to [patricia@stmarks.net](mailto:patricia@stmarks.net) and you will received an email invitation to set up your password and from then on, among other things, you can pledge through Realm.
